

Dance Inset Opportunity for Primary Teachers

I know that many primary staff feel daunted at the thought of teaching dance. I am offering you the opportunity to improve the teaching of dance within your own school.

My aim is to support and improve the teaching of dance in primary schools.

I will work with you and create simple, easy to follow schemes of work on the topics of your choice. Then I can come in and deliver the scheme for you, so that you can watch/join in/take notes whatever is the most beneficial to you.

I will leave you with the schemes of work, any resources that I use and the music so that you can use them again or adapt them to a different topic.

My mission is to increase the self- confidence and creativity of dance teaching so that the pupils will have an enjoyable and positive experience.

I have been teaching dance for 26 years in secondary and primary schools. I am passionate about the subject and know that children can gain confidence, show huge amounts of creativity and gain success in a very short space of time.

'Michele has worked closely with Nazeing Primary School for the last four years. She has been invited to take part in our arts weeks and RE DAYS by running dance workshops introducing children to a variety of styles of dance including Salsa, Bollywood and African.

Most recently she has been involved in curriculum development, training staff on how to teach their topic through dance. The teaching has been exceptional, so too have the resources including full schemes of work and music.

Every teacher has gained confidence through Michele's support and expertise and I would highly recommend her to any primary or secondary school.'

Lynne Godsave
PE Coordinator - Nazeing School

The School Sports Premium funding is guaranteed until 2020 so this would be a fantastic opportunity to invest in staff training that can be used in the future rather than just getting a company in to deliver the dance for you.

Costs: £250 half day, £350 whole day.

The cost includes:

- delivery of lessons based on the topic of your choice
- resources including scheme of work and music
- travel within 30 mile radius 30p per mile for any further distance

I have a DBS from Hertfordshire County Council.

Public liability Insurance

Please contact me for further information and to discuss potential projects

Thanks for taking the time to read this and I look forward to hearing from you.
